

WEEK ONE

Grades 3, 4, & 5

May 11th - May 15th

	Monday	Tuesday	Wednesday	Thursday	Friday
Reading	Read aloud a book via video chat or on the phone to someone.	Listen to reading Birds by Kevin Henkes https://www.youtube.com/watch?v=4V7SIUbGeUA What kind of birds do you hear near your home?	After reading today, tell an adult about the characters in your book or something new you learned.	Take 2 of your favourite packaged snacks from the cupboard. Compare the nutritional information and the ingredients. What do you notice? What do you think would be better for you? Was it easy or difficult to read.	Play an online game to identify text features: https://www.education.com/game/text-features/
Oral Language	How many animals can you name that have patterns on their body? How many foods can you name that are cone shaped? Make up your own how many questions!	Have someone place 10 household items on a tray. You have 10 seconds to look at the tray before it's taken away. The tray holder will remove one item. Can you spot what's missing?	Who am I? Choose a character from a book or movie. Give clues based on your character and have someone guess who it is.	Count to 100, every time you get a number that is divisible by 10 (10, 20, 30) say 'buzz' instead of the number. For a harder challenge say 'fuzz' for every number that ends in 5.	Say all the words you can think of that start with "P". All the words that start with "bl". Challenge someone else with a beginning sound or blend!
Writing	You are the security guard at the zoo and someone has stolen a rhinoceros! How do you track down the thief?	Write a short story about what it might be like if you woke up one morning with a mermaid tail.	Which is better, winter or summer? Write about the reasons why you think winter or summer is better.	Write about what it would be like if you had an alligator as a pet.	If you had \$1,000, what would you buy and why?
Math	<u>Adding Day</u> Check out our website to find resources to help practice adding 😊	<u>Subtracting Day</u> Check out our website to find resources to help practice subtracting 😊	<u>Multiplication Day</u> Check out our website to find resources to help practice multiplication up to 5 x 5 😊	<u>Division Day</u> Check out our website to find resources to help practice division related to multiplication. No higher than $25 \div 5 = 5$ 😊	<u>Free Choice</u> It's Free Choice Friday. Finish/practice whatever you like and play a math game 😊

Science:

STEAM Challenge of the week:

Log Cabin
Get outside and enjoy the Spring weather. Research a log cabins to see their design. Draw a blueprint of a log cabin that you would like to build. Collect sticks around your yard and neighborhood to build your own log cabin. You may need to use tape, glue, or rope to hold your log cabin together. Take a picture and send it to your teachers. Good Luck Stingers.

Colour Wars:

Here is your Colour War challenge of the week:

Your challenge this week is to try something new. Take a picture of yourself trying something you never have before, could be a food, could be an activity or sport. Anything goes! Make sure to send your picture to your teacher so it can be put up on our website for everyone to see 😊
