

WEEK ONE

Grades 3, 4, & 5

May 18th- May 22nd

| | Monday | Tuesday | Wednesday | Thursday | Friday |
|---------------|--|---|--|--|---|
| Reading | Read about why we celebrate Victoria Day at this link: https://www.canadahistory.ca/explore/arts-culture-society/the-story-of-victoria-day | Draw a picture of the setting of the book you are reading. | Listen to A Bad Case of Stripes https://www.storylineonline.net/books/a-bad-case-of-stripes/ What are some things you worry about? What do you do when you are worried? | Pick out 3-5 words from your book that you are unsure of and find out what they mean. | Read a non-fiction book today, either from home or on Raz Kids. Write down 5 new things that you learned. Share this with your teacher. |
| Oral Language | Tongue Twister: <i>How much wood could a wood chuck; chuck if a wood chuck could chuck wood?</i> How fast can you say this tongue twister? How many times in 30 seconds? In a minute? | Odd One Out: Someone calls out 4 things, but one of them is the odd one out. Blue, green, banana, white. First person to call out the odd item wins that round and gets to choose the next 4 items. | Name all the sounds you can hear. Who can name the most? Name all the things you can smell. How many things can you name? | Write different items on strips of paper (bike, dog) and put them in a bowl. Take turns choosing a word to draw with a blindfold on. Can the others guess what you're drawing? | Shout it Out Divide a deck of cards in half. With your opponent, flip your top card over at the same time. Who adds the cards together the fastest wins the cards. Try it with subtraction or multiplication too! |
| Writing | Can you imagine the world without the Internet? | Describe yourself without using any physical descriptions. | Write a story about your future self, getting your dream job. | If you held a world record, what would it be in? | Write a poem that doesn't rhyme, about your family. |
| Math | <u>Adding Day</u> Check out our website to find resources to help practice adding 😊 | <u>Subtracting Day</u> Check out our website to find resources to help practice subtracting 😊 | <u>Multiplication Day</u> Check out our website to find resources to help practice multiplication up to 5 x 5 😊 | <u>Division Day</u> Check out our website to find resources to help practice division related to multiplication. No higher than $25 \div 5 = 5$ 😊 | <u>Free Choice</u> It's Free Choice Friday. Finish/practice whatever you like and play a math game 😊 |

Science:

STEAM Challenge of the week:

Bird Feeder

Can you hear the birds chirping outside your window? Those birds need you to build them a bird feeder! Research different kinds of bird feeders to learn what aspects birdfeeders must have. Draw a blueprint of your birdfeeder before you begin. Create your birdfeeder using household materials (cardboard, plastic cups, rope, wire, paper towel rolls, etc.). Find the perfect place to hang it! Take a picture and send it to your teacher. Good luck Stingers!

Colour Wars:

Here is your Colour War challenge of the week:

Your challenge this week is to take a picture of something that makes you feel #positive. Make sure to send it to your teacher so we can add it to our website. 😊
